INSPIRE Faculty Scheme is one such component of INSPIRE which offers a contractual research award for carrying out independent research to young achievers. Guidelines of the INSPIRE Faculty Scheme and Award is available at the website: www.inspire-dst.gov.in. Based on your application followed by the due selection process, I am pleased to inform you that you have been selected for **INSPIRE Faculty Award**.

A compensation matching cost equivalent to that of Assistant Professor of an IIT at the time of entry, along with Rs.35.0 lakh (@ Rs.7L/year) of research grant shall be offered to each Awardee. The Faculty Award is tenable for a period of five years from the date of joining the Faculty position. However, each Awardee as well as the Host Institute will also be required to sign an 'UNDERTAKING' for implementation of this Faculty Award. A copy of the 'UNDERTAKING' is enclosed for necessary action at your end.

Each Awardee will be required to inform DST on acceptance of the Award within 3 months from the date of receipt of this offer as well as finalization of the host institute where the awardees shall implement the project. Please note that the Host Institution shall preferably be other than the Institute/ University/ Laboratory where you have completed your PhD work/degree. We would also be unable to accept a 'Host Institution' where 'three years exclusions policy' will be applied for considering you in any future faculty positions.

You are requested to take necessary action towards implementing this Award and inform us the bank details of the Host Institute i.e. [**Beneficiary Name and Address, Bank Name and Branch Address, Account Number and RTGS/ IFSC Code**], along with proposal for year-wise utilization of Research Grant on the respective budget heads as indicated in the 'UNDERTAKING' so that necessary funds can be released to the Host Institute from our end.

With Best Regards,

Yours sincerely
