### This order is being placed at the following mutually agreed upon terms and conditions:

The above list is only tentative. In case any more material is required it will be supplied free of cost by Intercon Systems Pvt. Ltd. to Banasthali Vidyapith. In case, some material from the above list is unutilized it will be necessarily bought back by INTERCON at the price included in this purchase order.

- 1. The quantities in the order are only estimates. The payment shall be made as per actual measurement and consumption.
- 2. The above prices are FOR Banasthali Vidyapith.
- 3. The above prices are all inclusive. In particular, they include packing, forwarding, installation, sales tax, octroi and service tax.
- The above price includes 12 months comprehensive onsite warranty of all the components from the date
  of installation. The entire structure of UTP cabling is to be certified.
- 5. The above prices are final and will not be subject to change under any circumstances.
- 6. The above prices are inclusive of all duties including the Custom Duty. In case INTERCON is availing certain exemptions on duty on account of BV being an educational institution, it is the responsibility of INTERCON to arrange for all necessary documentation including necessary proforma to be filled in by BV. BV will under no circumstances, be responsible for payment of any additional duties or levies.
- 7. Payment terms: 80% of the equipment cost against delivery: and balance after satisfactory installation, demonstration and testing of the network.
- 8. All disputes under jurisdiction of Tonk District Courts only.

This order is being placed at the following mutually agreed upon terms and conditions:

The above list is only tentative. In case any more material is required it will be supplied free of cost by Intercon Systems Pvt. Ltd. to Banasthali Vidyapith. In case, some material from the above list is unutilized it will be necessarily bought back by INTERCON at the price included in this purchase order.

- 1. The quantities in the order are only estimates. The payment shall be made as per actual measurement and consumption.
- 2. The above prices are FOR Banasthali Vidyapith.
- 3. The above prices are all inclusive. In particular, they include packing, forwarding, installation, sales tax, octroi and service tax.

Contd...

4. The above price includes 12 months comprehensive onsite warranty of all the components from the date of installation. The entire structure of UTP cabling is to be certified.

5. The above prices are final and will not be subject to change under any circumstances.

6. The above prices are inclusive of all duties including the Custom Duty. In case INTERCON is availing certain exemptions on duty on account of BV being an educational institution, it is the responsibility of INTERCON to arrange for all necessary documentation including necessary proforms to be filled in by BV. BV will under no circumstances, be responsible for payment of any additional duties or levies.

7. Payment terms: 80% of the equipment cost against delivery; and balance after satisfactory installation, demonstration and testing of the network.

8. All disputes under jurisdiction of Tonk District Courts only.
