New Kashiida Layout, New Baradwart,

Barkhand - 831012.

Dear Ms. Kumari,

On behalf of PRADAN, I am happy to welcome you to our Development Apprenticeship programme.

Rural community development is a complex process, involving the interplay of social, economic and political forces. It is our belief that a well-educated person motivated to help the disadvantaged sections of the society can accelerate this process and make the society more humane. It requires sustained engagement with people in the villages and many educated youth like you wish to do that. However, most lack the perspective and skills needed for effective grassroots work. These perspectives and skills can be acquired through guided reflective practice. The purpose of the apprenticeship programme is to provide such learning opportunities.

Your apprenticeship is for a period of 12 months from June 15, 2015. During this period you would be engaged in grassroots action in a team and participate in events designed for reflection. Through this process we expect you to develop your perspective about village community and its interactions with the rest of the society; and develop your ability to facilitate the process of social transformation.

We also expect you to judge your own commitment and suitability for this kind of work as 'making an informed choice' is imperative to a sustained and meaningful contribution in this field. I would urge you to utilize the first seven days to observe the life and work of PRADAN professionals and the life condition of the people with whom we work. You may not have fully anticipated the kind of pressures such a choice would exert on you. Do use this chance to reflect on the choice you are making. There are lots of opportunities for sensitive, committed and skilled youth willing to work in villages.

For the initial period of your apprenticeship you will be placed in our Jaisinghnagar team located in Shahdol district of Madhya Pradesh with my colleague Mr. Prabhat K. Pandey, Team Coordinator. Your placement may change due to organisational needs and in such a case you will be intimated atleast 15 days before your date of joining.

You will receive a monthly stipend of ₹ 22,000 (Rupees twenty-two thousand only) for the period of your apprenticeship. You will abide by the General Administrative Rules applicable to all development apprentices, a copy of which is included with this offer.

As an apprentice you shall not accept or take up any employment or engage yourself in any business, etc. You will also not make yourself directly or indirectly interested in the business of any other person or entity. Further, PRADAN will have the discretion of assigning you with any work suitable for your qualification and/or experience.

Hi Garima,

Thanks garima for your time. Can we conduct the final round day after tomorrow? As students have to take their permission letter and get it duly signed by us but because of having week off today it won't happen. So please give your confirmation for 26th February, 2015.

Regarding these two students I will confirm you in half an hour.

Thanks and regards,

**Subject:** Banasthali University: MBA Summer Internship Invitation - 2015

Dear Shri Mohit,

Greetings from Banasthali Vidyapith!!!

It was indeed a pleasure interacting with you over the phone few days back.

It is with great pleasure; we cordially invite you and your esteemed organization to participate in Campus Hiring Process of **Summer Interns** for the students of B School, class of 2016.

Let me have the privilege to introduce Banasthali Vidyapith:

Banasthali Vidyapith is the largest fully residential university for women education in India ([www.banasthali.org](http://www.banasthali.org)) working for the last 78 years and lists among premier deemed universities in the country (A Grade- Ministry of HRD Report, 2009-10). The institution is re-accredited as an A grade University by NAAC (a GoI body) and features among organizations building the nation as per India Today 2008. Recently AC Nielsen has rated it as I among universities in the country (Factual Rank, India Today; May 2012). Today more than 12,000 students from all over the country are studying here in a Gurukul kind of setup.

We are located in an ethnic ambiance in an 850 acre campus, at an hour's drive from Jaipur Airport.

Banasthali features its distinct B School named as WISDOM (established in 1996 with generous grant from M & M). In the era of mushrooming Management Colleges, out of about 10,000 applicants we end up selecting the best 240 to undertake a rigorous grooming spread across four semesters. We offer specialization in Aviation Management, Finance & Banking, HRD, Marketing and Retail Management. We are very active in doctoral research programme and lay strong emphasis on research and consultancy as well. We are among the few in the country where ICICI Bank has established a chair for promoting research and training in Banking (ICICI Bank CBFSI).

We lay equal emphasis on students' industry interface while still undergoing their MBA curriculum.

We cordially invite your organization for MBA Summer Internship Program 2015.

We also request you to propose a topic in advance so that we conceptually prepare the student.

We shall be grateful if you could have a look at enclosed pdf containing a brief profile about us. We shall be glad to revert with additional information required by your organization.

Looking forward for your positive response...

**Duration of Summer Internship Program: June 2015 to November 2015 (Six Months)**

Best Regards

**Amitabh Bhargava**
